A simple, affordable way to get quality home internet.

Mediacom seeks to close the "digital divide" through EveryoneOn, a non-profit program that makes internet access simple and affordable for more students and families across the country.

YOUR HOUSEHOLD MAY QUALIFY IF:

1. Mediacom offers internet service in your area
2. You have a K-12 student at home
3. At least one child receives free or reduced-price school lunch through the National School Lunch Program
4. You have not subscribed to Mediacom internet service in the past 90 days
5. You do not have an outstanding Mediacom bill or unreturned equipment

If you are interested in obtaining this service from Mediacom, please contact (229) 434-4505 ext. 212

*This offer is available for a limited time and may be terminated by Mediacom at any time. Offer is available to new residential customers who have not subscribed to the offered service within the preceding 90 days, are located in Mediacom's service area and have met criteria Mediacom may have for providing services. Customers agree to comply with Mediacom's applicable customer and user agreements and policies. This offer is \$9.95/month for 2 years only and includes Mediacom online service with one modem on a single outlet. Applicable taxes and other fees are additional. Download and upload speeds are not guaranteed and may vary. Mediacom is a registered trademark of Mediacom Communications Corporation. Other logos, product, service brand names for networks, programs, products or services are the trademarks or service marks of their respective owners. Computers, warranties, returns and exchanges provided by Redemtech through EveryoneOn. Tablet and desktop options are available with prices starting at \$150 plus tax. Offer and eligibility are also subject to EveryoneOn program terms and conditions. For restrictions and complete details, visit EveryoneOn.org. EveryoneOn is a program to provide home internet service for families. It is not a school program, and is not endorsed or required by your school. Your school is not responsible for EveryoneOn accounts. No school funds were used for this notice.

Includes Mediacom EveryoneOn residential service plan that provides a usage allowance of up to 150 gigabytes per monthly billing cycle. Greater usage will result in additional charges of \$10, excluding taxes and fees, for every increment of up to 50 additional gigabytes used. For example, if usage exceeds the allowance by 51 gigabytes, an additional charge of \$20 will result. Usage cannot exceed that of a typical residential customer and must conform to the requirements of the Mediacom Online® Internet Access Service Customer and User Agreement and Mediacom's Acceptable Use Policy. Usage allowances and internet speeds are subject to change by Mediacom at any time. Refer to the Additional Terms and Conditions: Monthly Usage Allowance at mediacomcable.com for complete details of the usage allowance.
